July 1910	July 1909

4. Read the proceedings of the Taluk Boards as detailed below :—

(1) Proceedings of the Chikmagalur Taluk Board meeting held on 6th August 1910.
(2) Proceedings of the Koppa Taluk Board meeting held on 30th July 1910.
(3) Proceedings of the Tarikere Taluk Board meeting held on 30th June 1910.

5. Read Secretary's letter No. 18-25—L. B 209-09, dated 5th July 1910, calling for the opinion of the District Board in the matter of introducing a system of dividing unions into wards for purposes of supervision by individual members.

Resolution.—The Board is of opinion that the ward system may be introduced in large unions with not less than 500 houses and 2,000 population: and that in smaller unions the system will not be of any advantage or practical utility.

6. Read—(*a*) Letter No. 9390—Med. 147-09-7, dated 20th April 1910, from General and Revenue Secretary, calling for the opinion of the District Board regarding the opening of a dispensary at Gonibid.

(*b*) Letter dated 20th August 1910, from the Honorary Secretary, South Mysore Planters' Association, regarding the same subject.

Resolution.—The Board, while fully alive to the necessity of providing improved facility for medical help in the malnad, regrets that it is at present not in a position to find funds for an additional dispensary. It is also of opinion that if another dispensary is to be opened, preference should be given to Belur over Gonibid, as the former place is in greater need of medical help and the opening of a dispensary there, the necessity for which has been more than once recognized by the District Fund and the Government, was only abandoned for want of funds and lack of accommodation.

7. Read Official Memorandum No. 655-62—L. B. 244-09-3, dated 21st July 1910, calling for the opinion of the Board regarding the procedure to be adopted for the adjustment of expenditure under several items relating to Local Fund Dispensaries :—

Resolution.—The Board is of opinion that only the amount actually spent as Medical charges whether fixed or varying should be paid from District Funds and that for the purpose the amount of such actual expenditure should be intimated by the Comptroller at the end of each year to the District Board and adjusted by him in his accounts.

(2) In the case of repairs of and construction of dispensaries, the Board is of opinion that the present practice of paying the District Fund quota by means of cheque in favor of Public Works Department as soon as the estimates are sanctioned is objectionable and that only the District Fund quota of the actual amount spent on the estimates should be made payable by the Board.

8. Read—(*a*) Government Order No. 1327-33—Med. 221-09-2, dated 8th August 1910, requesting the President to take needful action in the matter of employing midwives to (1) Sakrepatna, (2) Ajjampur, (3) Sollebile, (4) Kalasa, (5) and Hariharpur;

(*b*) and also letter No. 1334-8—Med. 14-10, dated 8th August 1910, regarding the appointment of a midwife at Ajjampur.

Resolution.—The Board finds it impossible to make any provision for additional midwives during the current year. The question will be, however, considered by the Board when framing the budget for the ensuing year.

Resolution.—With due respect to the Senior Surgeon and Sanitary Commissioner, the Board is of opinion that the suggestion contained in paras 2 and 3 of his letter, are, so far as they apply to unions and other non-Municipal areas, impracticable and unworkable and the Board does not see it necessary for an arrangement of the kind proposed.

Resolution.—Votes were taken with the result that Messrs. Patnageie Ranganna and Santappa Setty obtained the largest number of votes and were declared elected.
